Buy some stickers with different sizes of red hearts and red roses.

Send him a love note and cover it with a variety of stickers - large and small.

If you can't find any stickers, draw a heart, some x's and o's, and a smiley face on the note or card instead.

## ~ ***Romantic Indulgence*** ~ No. 2

Buy a romantic or pretty card and mail it to him so he gets it with his regular mail at home. (It's a lot more personalized than sending him an email.)

## ~ ***Romantic Indulgence*** ~ No. 3

In the evening, as he's getting ready for bed, fluff up his pillow. Then, turn down his side of the bed.

Place a glass of water on a coaster on his night table.

Then place his favorite (wrapped) chocolate on top of his pillow. Slip a small note under (or on top of) his pillow.

## ~ **Romantic Indulgence** ~ No. 4

Write him a love letter. Tell him the things you love about him. It could be the way he looks at you, the way he touches you, the way he makes you feel safe, the way he values you, or even the way he helps you.

## ~ **Romantic Indulgence** ~ No. 5

*Romantic Idea!*

For those couples who celebrate Valentine's Day in a hot climate, take him on an unforgettable picnic. Pack a picnic basket (very romantic!)...or a large insulated plastic cooler (it works, too!).

Include...sliced fruit...crackers...wrapped cheeses...delicate sandwiches...fish or meat pate...wine (or champagne)...with fancy wine glasses...wrapped gourmet chocolates...plates...cutlery... tablecloth...cloth napkins. Go first class all the way and make it special.

Don't forget to pack ice or ice blocks to keep things chilled. Take your portable CD player with speakers and your favorite music.

Drive to a park. Or head out to the countryside on a sunny afternoon. Find a grassy knoll or shady spot under a tree. Spread out a blanket. Enjoy an afternoon picnic surrounded by the sounds of nature and soft music.

## ~ **Romantic Indulgence** ~ No. 6

Organize a special Valentine's egg/chocolate hunt just for him.

Hide his favorite wrapped chocolate Valentine's eggs/chocolates in various places around a specific room like the living room. On shelves. Under cushions. Under chairs or tables. In lingerie drawers.

In obvious, easy-to-find places and not so obvious, harder-to-find places.

Then create a "hint" sheet from the Valentine Bunny - telling him where he'll find the eggs. For example, "*You'll have to look high and low to find your Valentine eggs. And, don't forget that at this time of the year, my Valentine eggs/chocolates get cold, too. Hint, hint!*"

Include how many chocolates/eggs he has to look for. Hide one in the freezer of the fridge or on a lower shelf at the back of the fridge.

## ~ **Romantic Indulgence** ~ No. 7

Haven't seen each other for a few days because he's been away or too busy?

If you're traveling to see your sweetheart surprise him by arriving earlier than he expects.

Here's what you do: You're only minutes away from seeing him again - but he doesn't know it.

Phone him on your cell phone and tell him you're still about an hour away.

Then ten or fifteen minutes later when you arrive he'll be surprised (and happy!) that you're there so soon.

## ~ **Romantic Indulgence** ~ No. 8

*Passionate Idea!*

Rose petals leading from the front door to the bedroom.

The lights dimmed.

Soft music playing in the background.

Make him feel welcome...wanted...and loved...when he comes home.

## ~ **Romantic Indulgence** ~ No. 9

*Romantic Idea!*

Rent a romantic movie and spend the evening cuddled up together on the couch eating popcorn. Bring a box of tissues, too.

Some good romantic movies (that are worth seeing again if you've already seen them) are: *Serendipity*, *Robin Hood: Prince of Thieves*, *Love Actually*, *Hitch*, *Notting Hill*, *The Bridges of Madison County*, *Titanic*, *The English Patient*, *Far and Away*. Or watch the *Outlander* series.

*Romantic Getaway!*

This *Romantic Indulgence* takes a little planning ahead of time. Before you do, however, make sure he has no plans and is available for the outing. If he is available, then...

...book a room or suite at a cozy Bed and Breakfast or resort for Valentine's Day.

Then, either phone him at work or leave a note on his pillow telling him to pack for a surprise getaway at an unknown destination.

Suggest clothing he should (or shouldn't) take depending on what you have planned!

Be mysterious so you heighten the anticipation and excitement.

When he starts asking you questions, tell him all will be revealed at the appropriate time - which will be when you arrive at your final destination.

Love to write fiction?

Here's your chance for you and your partner to star in your own mini-novel.

Write a romantic short story...with both of you as the main characters.

Or write a sizzling hot love scene.

If you're writing a romantic short story, create a fictional setting like a tropical island where you and your sweetheart meet. Then start your adventure from there.

Or you could already be together and you decide to go exploring for pirate's treasure or sunken treasure from a Spanish Galleon.

Choose a time period for your story. It could be a historical romance...it could be set in the 1800's...or it could be a modern day setting.

Write a plot that is something he'd be interested in reading.

Write "racy" love scenes. Use your imagination to make it hot and steamy and get his heart pounding.

Want some ideas and inspiration on what to say? Read romance novels!

Create a cover page with the title of your story.

Prepare a special page with an inscription dedicating the book to your partner. Mention things that you love about him including how he inspired you to write the story.

Then print out the manuscript on white, light beige, or grey 8 ½ x 11" paper.

Bind the pages together with a nice cover.

Then write several love messages to him on Post-it® notes - one message on each Post-it® note - and stick them on pages throughout your manuscript.

Gift wrap your manuscript and present it to your sweetheart.

Alternatively, mail it to him. He'll wonder what's inside the large envelope and be surprised - and flattered - when he sees the cover and dedication pages.

## ~ ***Romantic Indulgence*** ~ No. 28

Buy a book of erotica, read it together, and share your thoughts. Or buy a book on sensual massage and practice on each other!

## ~ ***Romantic Indulgence*** ~ No. 29

Is your man a hockey...football...basketball...or baseball fan?

Buy tickets to a big game, put them in a blue envelope, and slip them under his pillow.

## ~ **Romantic Indulgence** ~ No. 30

*Fun idea!*

Rent an exotic or luxury car for a Saturday...Sunday...or weekend. It could be a Porsche...a Rolls Royce...a Lotus...or a Lamborghini. Or try something you've never driven before like a BMW...Mercedes...Hummer...or Lexus. Or perhaps a classic car from the '50's or '60's.

Then go on a sightseeing trip around your city or head out to the countryside.

Take a picnic...or pack an overnight bag and stay at a cozy Bed and Breakfast.

If there are no exotic car rentals in your town or city ask around for a fun car you'd like to try out - perhaps a VW Beetle...a sports car...or a convertible. (And don't forget to drive carefully!)

Sometimes there will be something missing in your relationship or marriage. It might be the romance. It might be the passion. It might be the lust. Or it might be something else.

Whatever it is, sometimes you just need a little guidance and new ideas to put the sizzle back and heighten the romance and passion and excitement. *That's why I'd like to introduce you to a few of my favorite top special resources that can help spice up your love life and bring back the romance and hot passion...*

## **Does Your Man Go Soft During Sex Or Have Trouble Staying Hard?**

There's nothing more embarrassing or humiliating to your man - and more frustrating to you - than when your man has difficulty getting hard or keeping it up.

In fact, it's one of the biggest complaints men and women have about their sex life.

Often this problem is due to lower [Nitric Oxide production](#) as your man ages which leads to decreased blood flow that's crucial for engorgement and erectile function. (aff)

Without adequate blood flow your man has trouble getting the erections that are needed for maximum sexual pleasure and satisfaction.

*Low Nitric Oxide means reduced pleasure and performance - for both you and your man.*

One way for your man to overcome reduced pleasure and performance and improve his sex life is to feed his body with [organic Nitric Oxide](#) instead of taking dangerous prescription drugs. (aff)

He might be able to feed his body from the foods he eats but there's an easier and quicker way: taking a libido boosting and Nitric Oxide boosting supplement.

[FLOW Nitric Oxide supplement](#) is made from organic fruits and vegetables and is designed to help with better blood flow, help your man stay hard, and improve his (and your) sex life. (aff.)

Take him for a walk along the beach or waterfront early in the morning when the sun is just starting to come up...or later in the evening when the sun is slowly setting.

Does he dream about things he'd like to do in the future?

Or does he have interests that he'd like to explore but has never had the time or opportunity to do so?

Collect clues from what he says when he's talking to you about the past or about his hopes, dreams, and fantasies.

Then create future surprises for him. They might be gifts you make or buy.

They might be activities that he does alone or both of you could do together.

Dim the lights. Turn on soft, romantic music. And surprise him with his favorite dinner.

Create an elegant table setting with a pretty table cloth, cloth napkins, fine china, lighted candles, and a rose in a vase in front of his place setting.

Finish dinner off with a "sinful" dessert! Then invite him to have a bubble bath (with you) or give him a massage (or do both!)

He'll love the effort you took to relax him and drain the tension away.

~ **Romantic Indulgence** ~ No. 37

*Spice up your love life!*

Tease him and entice him with this idea...

Buy a small bottle of massage oil, scented with his favorite massage oil scent. (Some massage oils are not pre-scented and you can add your own scent. A light citrus orange aroma is one example.)

Wrap the bottle of massage oil in some red tissue (or gift) paper and place it in a small gift box.

Fold some tissue paper over everything so that when he opens the box he won't be able to see what's in it.

On top of the folded tissue paper, enclose a handwritten note saying:

*"For an unbelievable sensual massage, phone 123-1234 (add your phone number)."*

Don't forget to add some hearts, kisses, and hugs at the bottom of the note.

This *Romantic Indulgence* is an outpouring of your love and praise for that special person in your life and it will have very special meaning.

Write a love note to your guy. In it, tell your sweetheart the things you love about him.

Try to come up with at least twelve things.

Your love note could begin, "I love...[describe what you love about your guy]" or "I love how you..." [or] "I love the way you..." [or] "I love it when you..."

This could include special qualities or characteristics like color of eyes, softness of skin, a bright smile, a cute personality, a great sense of humor. Or it could include how your guy makes you feel or cares for you - how he makes you laugh, how he looks after you when you're sick.

Tell your guy what makes you proud of him. Tell your guy the way you feel when you're together.

And tell your guy what he brings to your life that makes you happy.

Take him on a "treasure hunt" in your own home. Leave him clues in various places around the house. Your final clue will be something romantic - a romantic evening together...with a special meal...wine...and "dessert." (Or, if you can't wait, go straight to the "dessert" menu.)

After he's had a hard day at work, lead him to the couch. Have him recline on the cushions and ask him to put his feet on your lap.

Take one of his feet and start massaging it lightly. Be careful not to press too hard since there may be sensitive spots.

*Fun idea!*

Create your own “**License to Kiss**” or “**License to Flirt**” with your computer graphics program.

Make it about 3 ½ “ wide x 2 ½ “ long.

Head it up **LICENSE TO KISS** [or] **LICENSE TO FLIRT**.

Put an expiry date on it. Or indicate that the license never expires.

Include your first name. Or make your first name descriptive like “Seductively sexy Jane” or “Flirtatious Sally.”

Indicate your gender.

Include the color of your eyes...or something about your eyes like “Big beautiful blue eyes.” Be teasing and flirtatious with your descriptions.

Add a heart or an outline of lips - if you can “watermark” the graphic so it’s in the background, that’s even better.

Put an official “stamp” on it - 4 numbers, some x’s and o’s, some small hearts, the date, and the name of the department: Department of Love or Department of Affection or Department of Flirtation.

Add a fictitious official’s name and the official’s office - Commissioner of Love or Commissioner of Affection or Commissioner of Flirtation.

(A word of caution: Exclude your date of birth, full name, and any other particulars you want to keep private - including your address and phone number - in case your “license” gets lost.)

Once you’ve completed your “license” get it laminated and cut to size.

Pull it out of your purse whenever you want a kiss from or flirt with your guy.

Create a Love List.

You can approach the Love List in two different ways.

You could write down things you love about him. It could be his personality, it could be what he does for you, it could be the way he looks, it could be things that make him "cute" in your eyes.

Alternatively, your Love List could be about sex: What was so special about your "first time" together. Or how he makes you feel when you're in his arms. It could include things you'd like to try or about your fantasies. It could be about sex toys you'd like to try. It could be about your favorite positions or [activities in the bedroom](#) (or elsewhere!) It could be about what you find sexy in him or what you like about him sexually.
